NOTES!

- DL88, DL107, DL115** (highlighted in red) are requiring the input from almost all partners, thus please do not forget to present your contribution regarding these deliverables (where applicable). The leaders responsible for compiling the data necessary for the reporting of these deliverables are listed below:
DL88-Partner 14
DL107-Partner 20
DL115-Partners 9 and 22
- Milestones-achievement of almost all milestones requires the contribution from many partners. During the presentations we would like to see how each partner contributes to the achievement of the milestone(s) he /she is involved in.

Address: Karolinska Institutet/Institutet för Miljömedicin
Nobelsväg 13
171 77 Stockholm
Place: Second floor, C3, Bergendorfsalen
